

Date and Time: Wednesday 20th August, 09:30-12:30

Session: Teaching 3rd and 4th grade students

Aimed at: Elementary school teachers of 3rd & 4th graders

Background: 3rd and 4th grade students are usually just beginning their foreign language learning journey. These sessions show you how to use rich and meaningful listening activities and support students to use very simple English.

Learning aims: Teachers will learn how to:

- teach vocabulary in an effective and engaging way
- use meaningful listening activities
- set up basic interactive speaking activities without using written scripts.

TIME	SESSION	CONTENT
09:30-12:30 (includes comfort break)	Giving directions around school & describing animals	Based on Let's Try 2, Unit 8 and Let's Try 1, Unit 9 <ul style="list-style-type: none"> • Introducing key vocabulary • A variety of low-resource, engaging practice activities • Using song and physical response to practice • Effective storytelling and checking understanding • How to set up a basic interactive speaking task

Date and Time: Wednesday 20th August, 13:30-16:30

Session: Teaching 5th and 6th grade students

Aimed at: Elementary school teachers of 5th & 6th graders

Background: 5th and 6th grade students are starting to study English as a subject After several years of foreign language activities, they are ready to express themselves more confidently in English. These sessions show you how to help students speak in longer utterances and maintain longer interactions and presentations, without resorting to written scripts.

Learning aims: Teachers will learn how to:

- teach vocabulary in an effective and engaging way
- set up basic interactive speaking activities without using written scripts
- set up engaging presentation tasks.

TIME	SESSION	CONTENT
