【第2話】 How do you buy two tickets for the Turner exhibition? (ふたりのチケットどう買うの?)

(At the Ticket Booth)

Ticket Booth: Hello. How can I help you today?

John: Hello. Can I have an advance ticket for the Turner exhibition that comes with the book cover, please.

Ticket Booth: We're sorry but advance tickets with the promotional offer are sold only at specified places like convenience stores.

John: What!? Oh no, Really!?! OK, just a moment, please.
(Mary approaches)

Mary: What's the matter?

John: It looks like you can't get tickets, an advance ticket with the promotional offer here...

Mary: Aww that's too bad. I really wanted the one with the tea.

John: Tell you what, why don't I go to the convenience store and get two tickets and then we can go round the exhibition together. Going around with someone else is much more fun. Only if it's OK with you of course.

Mary: (Pause to think...) Well, why not? Maybe there's a reason why we met here today.

John: Great! I'll go and get some tickets straight away.
